

2025-26 Rate Card

Elevate your brand's influence with UniversityStudy.ca, your gateway to connecting with the next generation of university students, educators, and decision-makers in higher education.

By advertising with us, you'll engage a dedicated audience of high school students, parents, and educators who are actively seeking guidance on university choices, scholarships, student life, and academic resources. This is a key transition time in students' lives when they will be making many first-time decisions about brands they will value throughout their adult life. Seize this unique opportunity to boost your brand's visibility, build trust, and establish your organization among this next generation of customers. Start shaping the future today with UniversityStudy.ca!
